

HUSHCORE™ *LINEAR*™ SYSTEM

Model HUSH LINER™ HLM-100-H Fiber-Free,
Non-Fiberglass Duct Liner

- *Reduces in duct fan noise transmitted to occupied spaces via the ductwork system.*
 - Fiber-free Non-Fiberglass model HLM-100-N open cell acoustic foam duct liner.
 - Noise Reduction Coefficient acoustic rating of NRC .80 for 1" thick.
 - Air Erosion Evaluation complies with requirements of UL 181, section 16.
 - Resistant to microbial growth.
 - Flammability rating of Class 1 per ASTM E84 and NFPA 255.
 - Installs with traditional adhesives and methodologies.

HUSHCORE™ *LINEAR*™ System Duct Liner
